

STUDENT SEMINAR REPORT

Seminars provide latest information on the subject. Students cannot improve their knowledge from text books, notes and reference books. They must take part in different seminars as well as teachers should also take interest in conducting the seminar for their students. Objective of the seminars is to provide simple and powerful skills to the students and enhance the self confidence

Student seminar was organized on 1st Feb, 2020 by, Botany department on medicinal plants. The main purpose of this seminar was to give information about medicinal plants to the friends, principal and teachers. Dr. S. L. Korekar, Principal, Dr. M. C. Zade, NAAC coordinator were invited by botany department as guest of the function. Prof. Dr. U. N. Bhale and Prof. Dr. V. S. Sawant, Head Department of botany, and Miss. L. D. Done has organized this event.

Head of the department and organizer welcomed to the guest of the function by offering flower bouquet. Prof. Dr. U. N. Bhale requested Dr. M. C Zade, for some hints to all students for seminar. Dr. M. C. Zade guided different aspects of seminar and asked some questions to the students and students replied satisfactory answers. Then Principal shared his experience regarding his first lecture.

Thirty two students of B. Sc. II and B. Sc. III year presented their seminar on different medicinal plants. Then all students provided information on medicinal plants with the help of Power Point Presentation (PPT). Students gave the information about plant local name, its botanical name, its family and medicinal uses. Time duration was 5 min. per student and rated them as per presentation skill, importance of plant and time management.

Prof. Dr. U.N. Bhale has presented a vote of thanks to all guests and supporting teachers as well as the students.
