life. After that the keynote speaker Mrs .Kavita Pudale madam's speech began. Madam described the AIDS long form is "Acquired Immune Deficiency Syndrome". This disease is caused by the HIV virus.

She also explained in detail the causes of AIDS diseases. She talked about how girls should be alert during this time. She provided information and few examples of self-defense both orally and practically. She resolved the queries asked by the students. She said that girls should be able to express their views formally and deal with any problem. Then she gave the girls an opportunity to express their views. And also Women's cell member Dr. Korekar madam and some girls shared their thoughts. Awareness rally was organized on AIDs after the program. The girls' students got good participation in the rally. In this way the program was well executed.
