A report of the lecture on “CONTRIBUTION OF SAVITRIBAI PHULE IN EDUCATION FIELD” on 28/02/201१

For the lecture on “CONTRIBUTION OF SAVITRIBAI PHULE IN EDUCATION FIELD” We invited Hon’ble **Mrs. Peshwe S.S.**, HOD of Marathi Department at Yashwantrao College, Tuljapur on 28/02/201१. She focused on the women’s considered low status and now a day the transformation in it. In her lecture she focused on the quote of Mahatma Jyotirao Phule .

The following quote of Mahatma Jyotirao Phule explains the importance of education. He writes: “*Without education wisdom was lost; Without wisdom moral was lost; Without moral development was lost; Without development wealth was lost; Without wealth Shudras were ruined; So much has happened through Lack of Education.*” She said that ,”Savitri bai Phule opened her first school in Bhide Wada at Pune for girls on 1 January 1848 and was the youngest female school teacher of modern India, at the age of 17 years.

This lecture was very informative according to the girls' students. She also focused on the working women’s problems, the essential understanding and cooperation of the men and their moral support. If women have to work for her family, every family member also has their loving and caring feelings towards her. She did everything for her husband and her family. Women have to give attention towards their own health also. She has done each and every minor thing for her

family. But she pays no heed towards her own health, which is the most important factor for her. She also highly encouraged our girl students to participate in every competitive examination.
