Report on Essay writing competition on female feticide

Essay writing is a very sensitive form of self expression. It is a harmonious blending of 'thought' and 'expression'. Essay writing has assumed great importance in our competitive examinations. It is considered to be the most effective test of the ability of a candidate to express his thoughts on a topic of female feticide. Keeping this perspective in mind, the Women's Cell of our College organized the Essay writing competition for the students. The event was organized in The seminar Hall of the college. Total 13 students participated in the competition. The students were given the time limit on one hour to complete their writing.
