Sub : Visit of Students to the Laboratory under Student
Exchange programme in accordance with MOU

Respected Sir,

As a part of student exchange programme under MOU signed with the department of physics of your college, the students from the department of Physics of our college are visiting your college on 01/02/2020 with an intention to give exposure to the exceptional facilities available in your laboratory of Physics & Electronics.

Please allow them to visit and have interaction with your faculties as well.

Thank You.

Report of the Visit of B.Sc.III students conducted under MOU

As a part of student exchange program under MOU signed with the department of physics and electronics, Azad College, Ausa, 12 students of B.Sc.III from department of physics of our college were visited to Azad College on **1/02/2020** with an intention to give exposure to the exceptional facilities available in laboratory of physics and electronics.

During the visit of our student, Prof. Barote and Prof. Surywanshi of Azad College show demonstration and theoretical background of various experiments. Also they gave satisfactorily expiations to the questions and difficulties raised by our students

Also Department of physics and electronics, Azad College, Ausa organized on the same day, a guest lecture Prof. S.S. Shinde on the topic "**Transistor manufacturing and mechanism**". Prof Shinde shared his views and thoughts on this topic in front of students of Azad College.

In this way the event was well executed and became useful to the students of both Colleges.
