Report –

The poster presentation program was organized by Department of Chemistry for the Students of Bachelor of Science. It is mainly to encourage and to improve their communication skill. The Students have presented the posters on medicinal chemistry, science and technology, and chemistry related subjects.

Twenty three Students of B.Sc. I, II and III year have been actively participated in poster presentation.

By this program, Students gained the knowledge of medicinal chemistry, science and technology, and chemistry related subjects. The posters were hortative. Students got an about presentation. The posters presentation program will definitely increase their greed of knowledge.
